

## Our Company

Our Company was originally incorporated as 'Navratna Wires Private Limited' as a private limited company under the provisions of the Companies Act, 1956, pursuant to a certificate of incorporation dated August 23, 2006 issued by the Registrar of Companies, National Capital Territory of Delhi and Haryana. Subsequently the company's name changed to "Plaza Wires Limited" as a public company w.e.f. March 10, 2022. The CIN of the company is L31300DL2006PLC152344. Plaza Wires Limited has grown to become one of India's most trusted and rapidly expanding companies in the electrical sector. Renowned for its high-quality domestic wiring solutions, Low Tension (LT) cables, and a comprehensive range of allied electrical products, the company is committed to delivering safe, reliable, and durable wiring systems for residential, industrial, utility, and large-scale infrastructure projects.

The company's product portfolio includes house wires, single and multicore round flexible industrial cables, industrial cables for submersible pumps and motors, LT power control cable, TV dish antenna co-axial cables, telephone and switch board industrial cables, computer and LAN Networking cable, close circuit television cables, automobile cables, railway signaling cables and solar cables among others.

Over the years, Plaza Cables has consistently focused on **quality, innovation, and technological advancement**. We have expanded our manufacturing capabilities, strengthened our technological expertise, broadened our distribution network, and enhanced our brand presence nationwide. Recognized by the **Indian Cable and Conductor Association** as an outstanding cable manufacturer Plaza Cables has built a reputation for excellence and industry leadership.

In 2023, the company reached a significant milestone by going public, reflecting the strong confidence and trust placed in us by customers and stakeholders alike. All sales and marketing operations are efficiently coordinated from our corporate headquarters in **New Delhi**.

Guided by the "**Made in India**" initiative, we are committed to serving the evolving needs of Indian consumers through our diverse range of products and brands. Looking ahead; our mission is to **expand our product portfolio, strengthen our presence across the country and extend our reach into international markets**.
